

Dear Parents/Guardians,

Looking back to January 2018 and all the happenings throughout the year, we say a big thank you to Almighty God, who has been our helper. For His protection, guidance, sustenance and support, we return all glory to him.

To you, our great and dynamic parents and guardians, we bring the compliments of the season, may we never stop celebrating life. We do appreciate you for being there for your wards through the year. May God continue to bless you and your source of livelihood?

We wish to inform you that this term which began on the 3rd of September 2018, has successfully come to an end today, Friday, 7th December, 2018, to resume for Second Term on Monday, 7th January, 2019. However, a whole lot of activities did make this term very successful and fruitful, and they are listed below:

MILESTONES FOR THE TERM

ACADEMICS: This aspect of learning was given due attention during the term. The teachers did not leave any stone unturned. They ensured that the students were taught all that was needed, and more effort will be added next term to take learning to a higher level.

PRACTICAL: Series of practical's were carried out during this term, this includes: Making and decorating of table clothes, tie and dye, Paper Mache, painting of calabash, preparation of soil for planting of per-annual crops.

SPORTS: More sport facilities have been acquired by the school, and this made sporting activities livelier and more interesting for the pupils and students all through the term. The following games have been introduced in the school: Volley Ball, American Football, Table Tennis and other board games. The pupils/students can tell you more about these developments. We are not resting on our oars until we get to the peak of success.

CREATIVITY/LANGUAGE ART: This is a new subject introduced into the school, handled by professionals from a partnering organization. This innovation has gone a long way to improve the children's imaginative skills which has resulted into creation of their own poems. Poems written by these children through the term will be collected into a book which will be launched next term, during the Book/Literary Day. Another value added to the school through this innovation is the **WEEKLY CELEBRATED STAR POETS/WRITERS**, whose works were not just published and pasted around the school, but also posted on our website for the global audience. (www.HisExcellencyschools.com/blog)

LAUNCH OF AN OFFICIAL WEBSITE: Following the global trend, the school has launched an **OFFICIAL WEBSITE**, (www.HisExcellencySchool.com) to enable us go digital. Apart from the basic information about the school, that is found on this website, creative works from your wards and even teachers are being showcased on this platform, giving these children and the school in general a global attention.

CULTURAL DAY: To celebrate our cultural heritage, a day was set aside in this term, with the children dressed in their native attire. The children were so excited as they danced, greeted and acted in their different cultural styles.

CLASS PARTY: This was organized to celebrate the end of the term for the children. It was a moment of joy and excitement for the children.

NEW DEVELOPMENT FOR NEXT TERM (SECOND TERM)

RESUMPTION: The school resumes on the **7th of January 2019, for Second Term, 2018/2019 Academic Session.** Teaching and Learning will take off immediately with **Resumption C.A (Continuous Assessment)**

Some new approaches have been employed for a more effective delivery of value from the school to our distinguished pupils/students. To this effect, the teachers are being thoroughly trained through the holiday to fit into these new approaches. Parents are enjoined to cooperate with the school, to ensure that this vision is accomplished.

INDIVIDUAL INTELLIGENT QUOTIENT (IQ) ASSESSMENT FORM

This form will be given to pupils/students at the resumption of next term, and it is expected to be filled by the parents and returned to the school, to enable the teachers register your ward for the term. This form is to help the school assess every child's intelligent quotient, to set up right goals and appropriate teaching styles for the term.

COMMUNICATION BOOK

It has been found necessary that parents/teachers communication be strengthened, to enhance more involvement of parents in their wards' education. For this reason, every child **MUST** possess a communication **BOOK** that will enable communication between parents and teachers on a professional level, on weekly basis or even more frequently as the case may be. Parents are compelled to regularly acknowledge these messages from teachers every week.

SCHEDULED ACTIVITIES FOR THE TERM

EXCURSIONS: The school will be embarking on excursions, so as to educate the pupils/students outside the class. The fee, schedule and venue for these excursions will be communicated to the parents as the school resumes.

CAREER DAY/TALENT HUNT: There will be Career Day and Talent Hunt this term. We will be harnessing the talents of the children, and pointing them to their individual aspired career, giving them room to showcase their talents. **We enjoin our parents and guardians to get their wards' costumes for this programs.**

BOOK/LITERARY DAY: A day will be set aside next term to launch creative works gathered from our wards. It will be a day to celebrate them and motivate them to do better. Parents are to prepare to come around for this program. The date for this program will be communicated to the school.

MATHS CLINIC/FASTEST FINGER CHALLENGE: The Maths Clinic is being organized to treat the different difficulties faced by pupils/students in Mathematics. This will happen every fortnight. Accompanying this program is a healthy competition within the school called the **FASTEST FINGER CHALLENGE**, to motivate the children to perform better, and evaluate the effect of the clinic.

WORD CLINIC/SPELLING BEE: This is the English/Grammar/Spelling version of the preceding program.

TWO OPEN DAYS IN A TERM: There will be two Open Days for next term. The first will be at the beginning of the term, and the second will be at the end of the term. This is to enable you know more about your children's performance, the point at which they are at the beginning of the term, and the point at which they will be at the end of the term. This way, you will be able to note the level of improvement in your ward. Attached to the second open day are:

- **Parents Teaching Day:** On this day, parents/guardians will be given the room to partake in classroom activities which includes: (Teaching, Classroom control and marking of notes) with guidance from the classroom teacher.
- **Pupils' Administrative Day:** Pupils are given the opportunity to run the school for a day. This is to inculcate administrative skills into them and make them see themselves in the light of the future.

SCHOOL FEES FOR SECOND TERM 2019

NOTE: WE URGE ALL PARENTS TO PAY AT LEAST 50% OF THEIR WARD'S FEES BEFORE OR ON THE 7TH OF JANUARY, 2019. THIS IS TO ENSURE EFFECTIVE RUNNING OF THE SCHOOL.
