

Dear Parents/Guardians,

The term has come to an end and to God be the glory for His divine provision, protection and promotion. Special thanks to the Almighty God for starting and finishing with us.

We will be ungrateful if we overlook the great extent which you have in your tight schedule contributed and assisted the school to get to this apex. We appreciate you for being there for your wards through the term. May God continue to bless you and replenish you.

We are using this medium to inform you that 2<sup>nd</sup> term ends on the 5th April, 2019. Friday to resume for Third term on Monday, 29th April, 2019. However, there were several activities that made this term exceptional, these includes:

---

## **MILESTONES FOR THE TERM**

---

**ACADEMICS:** The teachers did a lot to upgrade the academic level of the pupils/students. This was done using the Intelligence Quotient Form to determine their level of improvement. They taught based on the term's scheme of work and made sure that all topics were covered extensively.

**PRACTICAL:** Concrete practicals were carried out in, among them are: Sewing of blouse and skirt, apron and bead, production of homemade polish and cleaning agents, production of homemade perfume and yoghurt production. Also, there were class projects and practicals in all classes which made the class activities to be very interesting and participating.

**SPORTS:** Sporting activities were carried out. Aerobics was added with music to make the sport to be more fun and interesting for the pupils and students in this term.

**CREATIVITY/LANGUAGE ART:** The creativity/language art is also making waves in the school and among pupils/students as they work to see their names written as the star poet of the week on the notice board. This has made the pupils/students to be creative in terms of writing. Some have their works published on the internet for the world to see, pasted on the school notice board and collated to be published as book during the book and literary day next term.

### **INDIVIDUAL INTELLIGENT QUOTIENT (IQ) ASSESSMENT FORM**

The IQ form was used to assess the level of the pupils/students and to upgrade their academic performance. In respect of this. two forms were distributed to the parents and teachers to meet up with the target goal of the term. It was not easy but to some extent it has help the teachers and parents to assess and improve the pupils/students.

### **COMMUNICATION BOOK**

Thanks to parents and the teachers for using this medium to bridge the gap between the school and parents. Teachers used the communication book frequently to communicate with parents while parents in turn reply. This collaborative act has helped in improving the academic performance of the pupils/students.

## EXCURSION

As part of the school's plan to properly equipped and educate the children, the Career Day celebration was merged with the excursion which took place at **BAZE UNIVERSITY, JABI, Abuja**. The children had a swell time as they were taken by the **DEAN OF STUDENT AFFAIR** and by **THE VARIOUS DEPARTMENTAL HEADS** of the University through the faculties and departments. A brief SYMPOSIUM was also conducted by lecturers and professors in the various departments visited and time was given questions and answer, it was indeed interactive and educative. This activities impacted on the children a great deal as they went with their writing pad to jot down salient point that will be beneficial to them.

---

## SCHEDULED ACTIVITIES FOR THE TERM

---

**RESUMPTION:** The school resumes on the **29<sup>th</sup> April, 2019. for Third Term, 2018/2019 Academic Session.** Teaching and Learning commences immediately.

### FIELD TRIP

There is going to be a lot of field trips this term. We planned to take the classes to the community to learn from real life activities. It's time for the pupils/students to see what we have learn in the classroom in their community. So the goal is to visit close by organizations, offices and sites based on the provision of the scheme of work.

**CULTURAL DAY/TALENT HUNT:** To celebrate our cultural heritage, a day will be set aside next term to show case our vast cultural heritage, with the children dressed in their native attire and representing their culture, we will sing, and dance to promote our cultural heritage. Alongside the cultural day, there will be a talent hunt to harness the in-built talents in the pupils/students; this enable them to activate, display and know what they can do.

**BOOK/LITERARY DAY:**A day will be set aside next term to launch creative works gathered from our wards. It will be a day to celebrate them and motivate them to do better. Parents are to prepare to come around for this program. The date for this program will be communicated to the school.

**MATH'S CLINIC/FASTEST FINGER CHALLENGE:** The Math's Clinic for the fastest finger challenge is still ongoing but the grand finale has been postponed for next term due to some inevitable circumstances. Remember that this is meant to eradicate and curtail the phobia for Mathematics thereby motivating the children to perform better in Mathematics.

**WORD CLINIC/SPELLING BEE:** This is the English/Grammar/Spelling version of the preceding program. The Word clinic/spelling bee will be used to balance the equation, so as not to concentrate on a core subject while the children lag behind in the other.

**WORLD GREEN DAY:** in respect to the Global warming epidemic, a day will be caved out to celebrate the world green day, this will entail activities like planting of trees and flowers across the community and sensitization of the need to protect our environment against future greenhouse hazard. This is with the intention of keep the children abreast with the world's trend.

**TWO OPEN DAYS IN A TERM:** There will still be two Open Days for next term. It has been tried and tested. Parents came in at the beginning of the term to check the level of their wards and at the end of the term to ascertain their child's level of improvement.

---
